Road Commission Employee Reaches Milestone Employment Anniversary

The County Road Commission Wants You to Know . . .

The Van Buren County Road Commission is delighted to announce the milestone anniversary of one of its Road Maintenance Employees. On September 10, 2024, Randel (Randy) Moser will celebrate **45 years** of outstanding service at the Van Buren County Road Commission!

Randy began his career with the Road Commission as a Seasonal Road Maintenance Employee in May of 1979. On September 10, 1979, he was hired as a permanent Mechanic II where he performed preventative maintenance on the various vehicles and equipment comprising the Road Commission's fleet. And in 1985, Randy was assigned to his current position as Road Maintenance Employee performing a variety of duties including snow removal, mowing, culvert installations, brush and tree trimming and removal, gravel road scraping, pothole patching, and more.

"Randy's longstanding commitment to our organization has been nothing short of remarkable", said Road Commission Managing Director, Bret Witkowski. "His wisdom and experience have guided us through challenges and successes alike. His mentorship inspires his coworkers to reach new heights, and he has been invaluable in shaping our positive company culture."

The Van Buren County Road Commission will recognize Randy Moser, among other Road Commission employees celebrating milestone anniversaries, at their Second Annual Employee Appreciation Day being held in October.
