

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF MAY 27

OPERATIONS

- Roadside mowing continues on both primary and local roads in Hamilton and Bangor Townships – VBCRC staff will be completing the mowing utilizing the new mowers received this year. The VBCRC is adding a third mmower to the mix to begin in Paw Paw Township.
- Hot Mix Patching continues in between the rain drops! Crews have done a great job of covering a majority of Townships for maintenance patching and are mostly focusing on patching for sealcoat.
- VBCRC crews are inspecting and replacing crosspipes on roads scheduled for sealcoat this year. Currently pipes are being replaced in Arlington and Columbia Townships.
- Dust control season has begun! VBCRC crews are prepping gravel roads in Waverly, Bangor, and Bloomingdale Townships as the weather allows.

ENGINEERING

- CR 388 between CR 653 S and the Kalamazoo County Line in Pine Grove Township is scheduled to begin at the end of this week. The project consists of crushing and shaping the existing asphalt surface, trenching and widening the road, completing drainage improvements, and repaving the surface. The posted detour for this route follows CR 653 S, M-43, and 2nd Street in Kalamazoo County.
- The final round of bid opportunities for projects this summer will be advertised on our website this week. To view bid opportunities, please visit vbcrc.org/bids.

NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.
