

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF OCTOBER 28

OPERATIONS

- The third round of roadside mowing continues in Lawrence and Bangor Townships.
- Graders are treating gravel roads countywide with Paw Paw and Hamilton up next.
- Crews are prepping for winter by patching potholes, trimming trees, and placing shoulder gravel along their plow routes.
- Boom mowers are working through Antwerp Township. These mowers will focus on trees and foliage above what our roadside mowers reach.
- VBCRC ditching and drainage crews are working through the backlog of projects:
 - Ditching and culvert replacement on 67th Street South of Territorial Road in Keeler Township
 - Correcting drainage on CR 354 in Porter Township
 - Replacing a 55" culvert in Geneva Township on 64th Street
 - Patching crosspipes in Arlington and Columbia Townships.

ENGINEERING

- Pavement markings are being placed as contractor availability allows. They are expected to wrap up in the coming weeks.

MISCELLANEOUS

- The VBCRC reminds residents to keep all signs, including temporary election signs, out of the ROW to ensure drivers have proper sight distance at intersections and VBCRC mowers can address roadsides. Read the news release at VBCRC.org/NewsReleases

2024 SNOW PLOW
ROAD-EO

NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.
