

VAN BUREN COUNTY ROAD COMMISSION

[WEEK OF FEBRUARY 21, 2021]

MAINTENANCE

Operations Update

- Tree removal on CR 687 between 90th Avenue and 94th Avenue continues in place of snow removal.
- Crews are boom mowing in Lawrence and Antwerp Townships as weather allows.
- We pride ourselves on covering our entire road system each day during snow events. In doing this, our drivers encounter trash cans and mailboxes – if residents have questions or concerns regarding damages to these items, please encourage them to call our office as we have procedures in place to properly address these concerns.
