

# VAN BUREN COUNTY ROAD COMMISSION

[ WEEK OF MAY 23, 2022 ]

## MAINTENANCE

### *Operations Update*

- Graders are out around the county! On the list this week are Geneva, Paw Paw, Almena, Keeler, and Waverly Townships.
- Crews are out patching in preparation of sealcoat and necessary pot hole patching in Decatur, Porter, Arlington, Geneva, South Haven, Pine Grove, and Columbia Townships.
- De-berming operations wrapped up Monday! Crews are planning and preparing for sealcoat season to begin in Mid-June.
- The ditching project on Red Arrow Highway at Van Kal continues in Antwerp Township. This project is expected to wrap up Tuesday.
- Miscellaneous ditching and tree projects continue across the county as weather allows.

## ENGINEERING

### *Update*

- The project on CR 380 from the Columbia Township Line to CR 665 in Bloomingdale Township began May 18th with trenching and widening which will be completed this week. The contractor will then move on to drainage improvements.
- Top course paving on CR 374 from Red Arrow Highway to 45th Street in Lawrence and Paw Paw Townships will be completed Tuesday with restoration to follow.
- For the full list of upcoming projects, please visit [vbcr.org/projects](http://vbcr.org/projects).

**TRAFFIC CONTINUES TO FLOW  
SMOOTHLY ON RED ARROW  
HIGHWAY AS CREWS USE A SINGLE  
LANE FOR THE DITCHING PROJECT.**
