

VBCRC'S WEEKLY UPDATE

FOR THE WEEK OF MARCH 3

OPERATIONS

- Staff are reviewing both local and primary roads for areas in need of boom mowing. These locations will be marked on a map for reference when boom mowing operations begin.
- Cold patching crews have been out daily – addressing reported potholes as well as those areas observed by staff while plowing snow.
- Tree trimming continues county-wide.

MISCELLANEOUS

- VBCRC will be hosting open interviews for its seasonal positions on March 3rd and 4th from 3 to 8 PM each day. For more information, please visit VBCRC.org/jobs.
- As a reminder to Township officials, sealcoat/fog seal and de-berming locations are due by March 31st. Maintenance costs for 2025 have been sent to all Township Supervisors. Questions regarding these locations can be directed to Alyssa McAndrew at alyssamcandrew@vbcrc.org or 269-674-8011 ext. 249.

ENGINEERING

- Hill Drive in Lawrence Township has been advertised for bid and will be opened on March 28, 2025.
- 4 Paving projects in Antwerp Township are advertised for bid and will be opened on March 28, 2025:
 - Vintage Point subdivision
 - Fox Creek Farms subdivision
 - Birmingham Meadows subdivision
 - 30th Street from 62nd Avenue to the Village of Lawton
- Tree work will be starting soon on 69th Street in Bangor Township from CR 378 to 24th Avenue in preparation of a project to occur this summer.
- 12th Avenue at CR 388 intersection in Pine Grove Township project was approved and awarded to Langlois & Sons Excavating.
- 40th Street Bridge Design in Waverly Township was awarded to Scott Civil Engineering.

NOTE: ALL operations are dependent on current weather conditions, equipment availability, and staffing and are subject to change. For detailed information regarding daily operations, please contact our office.
